MORE INFORMATION

Please join us for the 8th Annual Tampa Bay Line Dance Classic which is located in beautiful Tampa, Florida! The hotel sold out last year and we expect another sellout this year as well. This event has been featured in many line dance magazines/newsletters and talked about all over the world. If you ever wanted to go to a line dance event which featured only line dancing and the very best instructors, then you will not want to miss this one.

The Tampa Bay area is a beautiful sight to see so come early or stay late and enjoy many of the local attractions. Walt Disney World is just hours away and the beach is just minutes away! Plenty of golfing, sightseeing and shopping to do when you aren't busy dancing!

A dance preview will be available for you on Thursday, Friday and Saturday night so that you can make plans for the workshops that you would like to take for the next day. There will be plenty of workshops and LOTS of open dancing going on all the time.

PRO AM COMPETITION - Be sure to think about dancing in our fun Pro Am Competition this year. There are no rules and it's your choice of dance and music. The cost is \$10 per dance with a maximum of 3 dances per competitor. You will perform for 1 1/2 minutes. Please register by Friday AM. You **MUST** purchase a weekend pass to enter. Check out the website for further details

If you are new to dancing or just enjoy the easier dances, we have a ballroom that will be primarily dedicated for beginner / improver dances. There will be lessons and open dancing throughout each day and evening in this ballroom beginning on Thursday night.

There is a free 10 minute shuttle from the airport (TPA) for everyone who is flying in from out of town. If you need any other directions or assistance in case you are driving, then please do not hesitate to contact your event director or the hotel ASAP. Onsite registration will be available beginning Friday morning and PRE-registration will be available for pick up on Thursday night.

When making your plans to attend, please note that workshops will begin on Friday at 9:00 am and end on Sunday at 3:00 pm.
